The DC Arts and Humanities Education Collaborative and DC Commission on the Arts and Humanities invite you to participate in a Professional Development Institute "Unpacking a Safe Space."

Ensuring students are developing their socio-emotional quotients is a necessary precursor to building a solid foundation for academic success. Join teaching artists as they share practices for the creation of physically and emotionally safe spaces through trauma-informed processes - spaces, where risk-taking is encouraged and student voice and agency are promoted.

September 21, 2019, 9:00 AM - 3:30 PM
